TWEEN I AGES 10 TO 12 NEW

This class has been specially designed for 10-12 year olds who are ready to use the sewing machine and create projects for themselves. They will first be taught how to use the sewing machine and all relevant terminology to the machine and basic sewing notions. Next, they begin their sewing adventure with a small project such as a headband and then continue with larger projects such as a pillow case and a draw string bag. Each project reinforces the previous project's sewing techniques and adds new skills and challenges. There will be a supply list for the class so each student can select fabrics that appeal to them.

You love sewing and want to teach your skills to others but you don't know where to start. This class is designed for you! The instructor, an experienced teacher, will guide you through identifying goals, breaking down large tasks into teachable units, sequencing and managing time. Participants will leave with a completed lesson plan, so bring a notepad and pen. If time allows we will practice short demonstration lessons. Students are encouraged to bring their own ideas for an original class.
